Frozen Coladas and Daiquiris **12⁵⁰**

We sell more of these to tourists than anyone. If you are a tourist, order this. Oh, and be nice to the locals and they won't bite. Locals: If you see someone with this drink, they are a tourist. Be nice, they keep us employed.

Pussers Pain Killer **12⁵⁰**

If you have been to the British Virgin Islands and you woke up on a beach somewhere wondering what happened. Well...

It was probably this drink. This Island concoction is a classic in the Caribbean topped with fresh shaved nutmeg. Don't have too many because they may throw your grammar off.

Punctuation is everything. I was mumbling about this drink and my wife heard "Shave the Nut, Meg." Not "Shave the nutmeg". Her name is Megan. It was a lonely night. But the drink is still pretty fantastic!

EVERYTHING ELSE

Jim's Sea Breeze **10⁵⁰**

A dear friend of ours introduced us to this one. Jim was always smiling.

We couldn't tell if it was because he drank too many of these or if he was waiting for the next prank to go off... Anyway, Jim is gone now and missed...
